LETTER OF RECOMMENDATION

To Whom It May Concern,

I am pleased to write this letter of recommendation for Lee Choy Ying, whom I have had the privilege of knowing both personally and professionally at Eco Shop Marketing Sdn Bhd. I have had the opportunity to interact with her on several occasions, and I have been consistently impressed by her skills, work ethic, and character—though we do not work directly in the same department.

Choy Ying is a recent First-Class Honour graduate in Statistical Computing and Operations Research, and her academic background is backed by excellent leadership roles in various extracurricular activities and projects. I have no doubt that her technical expertise will prove to be a valuable asset to any team she works with. Her ability to quickly grasp complex concepts and apply them in real-world situations is one of the many attributes that sets her apart.

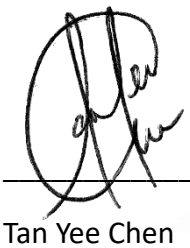

Choy Ying has shown great professionalism in all her interactions. She is a dedicated, hardworking individual who consistently strives for excellence. I have witnessed her strong collaborative spirit and her eagerness to contribute positively to her colleagues, making her an asset to any organization. Though we work in different areas of the business, Choy Ying's ability to communicate effectively and her attention to detail are qualities that make her stand out in the workplace.

I am confident that Choy Ying will continue to grow and excel in her career. She is driven, intelligent, and possesses a keen ability to adapt to new challenges. It is without hesitation that I recommend her for any opportunity that aligns with her skills and aspirations.

Should you require any further information, please do not hesitate to contact me.

Thank you.

Sincerely,

Tan Yee Chen
